REFERENCE

RIDER'S FULL NAME

Why we are asking. The rider named above has applied to Relay Logistics for a commercial vehicle on a lease to own plan and has named you as a guarantor.

A guarantor does not pay anything and is not responsible for the rider's payments. We ask for your details so we can confirm who the rider is and how to reach them. Relay will call you before we approve the application. If you tell us you do not agree, we delete your documents and ask the rider for someone else.

Please write in CAPITAL LETTERS with a black or blue pen, sign at the bottom, and give the form back to the rider with a photocopy of your ID (NIN slip, driver's licence, voter's card or international passport). The rider will scan both and email them to Relay.
