I confirm that the information on this form is true and complete.

I agree that Relay can check my identity, including checking my NIN with a licensed verification service and visiting the address I have given.

I confirm I have asked both guarantors and they are expecting Relay's call.

I understand that filling this form does not guarantee approval or reserve a vehicle, and that I should not pay anything until Relay confirms the next step.

There is no deposit. Every payment goes by bank transfer to my own Relay account. Relay never takes cash.
